

SAFETY UPDATE

RECALL NOTICE

Natural Products Group is voluntarily recalling lots 178747, 199658, 264855, 33766, 959219, 964323, 982016, and 982017 of American Health Klamath Shores Blue Green Algae capsules (UPCs 076630025423 120 Count and 076630025409 60 Count) because of higher than usual levels of microcystins found. As a naturally harvested ingredient, microcystins may be found in blue green algae blooms. If taken over the long term in high doses, microcystins may pose a human health concern, specifically to the liver.

Customers who purchased the product are urged to discard any remaining product and discontinue use. Contact us at recallinfo@vitacost.com for a full refund.
