

# **SAFETY UPDATE**

## **RECALL NOTICE**

Douglas Laboratories is voluntarily recalling Stress-B-Plus™ – 90 tablets due to the product being manufactured with Niacin instead of Niacinamide. A common response to Niacin is a flushing reaction which is temporary in nature and does not pose a safety risk to our consumers.

If you have any Stress-B-Plus™ Lot# 50335944 or Lot# 50344396, please discontinue use and contact us at [recallinfo@vitacost.com](mailto:recallinfo@vitacost.com) for a full refund.
