

SAFETY UPDATE

RECALL NOTICE

Reckitt is voluntarily recalling Airborne® Gummies due a product packaging safety matter. Affected lots are listed in below table. Pressure built up in the bottle may cause the bottle cap and underlying seal to pop off with force, which could result in a potential safety hazard to the user. The gummy product inside the bottle is unaffected by such pressure build up and remains safe to consume as directed on the label.

Customers who purchased the affected product shall discontinue use and contact us at recallinfo@vitacost.com for a full refund.
